

# Green Your Life & Business ... Without Spending Any Green!

## Sunday September 19, 10 am - 1 pm

Join us **Sunday, September 19**, from **10 am to 1 pm** for a Sustainability Summit hosted by the Silver Lake Chamber of Commerce. Choose from six workshops – hosted by experts in the field – that will show you how to make your home and work life more sustainable, healthy and profitable.

During the event, a Zero Waste expert will also be available to answer questions about which items are or are not recyclable, and attendees are invited to bring “mixed” containers which they have questions about.

	<b>1 Living Room</b>	<b>2 Koda Sushi</b>	<b>3 Natural Mind</b>
